# Education in the Czech republic

Attractive location in the heart of Europe and long tradition of quality education make the Czech republic a perfect destination for international students. Whether you are making your first step into the world of higher education or choosing to continue your scientific researches, Czech universities have a lot to offer.

Search no further - find out why Czech universities is your best option.

## 26+ renowned state universities

more than 30 private unis

## Prague, Brno, Liberec

Major universities are located in Prague, Brno, Liberec and other student-friendly cities

## Czech and English

Study programs in Czech language are tuition-free, programmes in English start from 1000 euro per semester

## Why Czech universities attract more than 14000 students every year?

The Czech republic has a lot to offer for international students:

### Diverse range of study programs

Czech universities offer long-standing reputations, unique conception and interesting specializations. Students can come for a short study visit or to complete their degree in a wide range of traditional as well as newly-emerging disciplines.

### Long tradition of quality education

High quality education and research, especially in Sciences, Engineering and Medicine, has a long tradition in the Czech Republic. The Charles University in Prague was founded in 1348 and is the oldest university in the Central Europe. Quality assurance of various activities of higher education institutions belongs to the main priorities of the Ministry of Education, Youth and Sports.

### Safe location in the heart of Europe

Studying in the Czech Republic puts you in the middle of Europe and you have a great chance to discover all European countries and places you might otherwise not have had the opportunity to visit. The Global Peace Index 2016 placed Czech Republic as the 6th safest country in the world

### Free higher education

Czechia - one of the few countries that offer free education even for foreigners. It applies to study programs taught in Czech language at state universities. Prague Language Institute helps students from all over the world to seize an opportunity of getting an European degree at low cost.

We offer Intensive Czech preparatory courses and a full range of services for university placement.

80% of students choose to study for free in Czech language

# State universities

Higher education forms the highest level of the Czech education system. It is governed by the Higher Education Act and the central governing body is the Ministry of Education, Youth and Sports. The accreditation process and quality assurance is ensured by the National Accreditation Office for Higher Education. Course dates: September 1, 2021 to May 31, 2021

Application deadline: 1.07.2021

## About

For 15 weeks students study Czech online up to the A2 level. Every group includes no more than 8 people for more individual communication. Students study Czech at a language school up to the B2 level for 20 weeks upon arrival in Prague.

Classes are held in the evening, which allows students to combine training with an opportunity to earn extra money.

### First Stage - Online Czech Language Course

Online course with Prague Language Institute: total of 210 hours - 16 weeks of training. Classes are held live every day from Monday to Friday - 2 lessons per day, 60 minutes each via Zoom platform.

### Second Stage - Czech Language Course in Prague.

The semester course at the Prague Language Institute runs from January, 10 to May, 31.

The semester course in Prague includes 450 hours of language training. Next 20 weeks of studies, students learn Czech from level A2 to level B2, and study the specialised subjects for successful entrance examination.

Subjects training starts in October and the student can choose two subjects - 100 hours each - from one of the following: English, Mathematics, Physics, Chemistry or Biology.

6700 €  
expenses for the second year in the CR

# Our school

Our school is bright and student-oriented space in the historical center of Prague.

PLI courses are held on week days, Monday to Friday. Students have 4 to 6 academic hours training every day, 20-28 total hours per week. We keep comfortable group sizes (no more than 15 students). All teachers are native speakers with professional training and diplomas in relevant specialities (linguistics, pedagogics, philology etc.) and hands-on experience with foreign students.

Two floors of renovated, spacious classes equipped with overhead projectors and TVs, student rest zones, lockers. All classes are air-conditioned and students may benefit from free coffee and tea.

## Study material

We use renowned series «Česky krok za krokem» (Lida Hola) for A1-B1 levels and continue with «Čeština pro cizince» (Boccou Kestřánková Marie, Hlínová Kateřina, Pečený Pavel, Štěpánková Dagmar) in the second semester.

## Technology

Students use iPads and Apple TV for project presentations, conversation clubs and watching videos.

## Performance tracking

Every 10 units students pass diagnostic tests, every level concludes with a complex exam (writing, speaking, grammar) That is how teachers keep track of students' performance and help to achieve better progress.

## Parent-control system

We use Schoolmate system where each parent can check attendance and performance of students in real time. Our teachers and student counsellors also give monthly feedback to parents via e-mail so that they are aware both of academic and psychological state of their child.
